

Oil and Gas Investor

A HART ENERGY PUBLICATION/DECEMBER 2008

Big pipe is being built across the U.S. to take new gas to market.

GREAT MINDS
THINK ALIKE.

WHEN THEY
COLLABORATE
IT'S PURE MAGIC.

The Education Collaborative - an outreach of the Santa Maria (California) chapter of the Society of Petroleum Engineers - thanks the following oil and gas companies for showing industry leadership in funding math and science education in Central Coast schools.

Your support is truly inspiring.
